1981 WOMEN'S TENNIS GUIDE

PROSPECTUS

Coach Dean Burroughs, entering his seventh season as the She Gull mentor, welcomes five veteran players and a host of new freshmen to the 1981 team. Veterans returning this year are Jan Sweet, Jean Lawton, Kathi Smero, Kathy Kappes and Lori Weiss. The veterans are expected to form a solid foundation and, with the new players arriving, the building of another strong She Gull team is just around the corner.

Burroughs comments, "This will be the youngest team we have fielded in four years. We are young, though only young in age and not experience. Many of our freshmen players have experienced match and tournament plays. They will step in and contribute to the team immediately."

The She Gulls are anxious to begin their 12-match, three-tournament Gull schedule. With an overall mark of 48-28, and in possession of four of the last five Maryland AIAW titles, the She Gulls have a winning tradition established at SSC. They are not expected to depart from this very successful tradition in 1981.

COACHES

Dean Burroughs

Carl Urian

DEAN BURROUGHS begins his seventh season as the Salisbury State College women's tennis mentor. With an overall mark of 48-28, and in possession of four of the past five Maryland AIAW titles in the immediate past, the biggest surprise will come when a Dean Burroughs coached SSC tennis squad is not among the nation's best.

During the summer, Burroughs applies his tennis knowledge and energies directing the SSC Tennis Center. The center offers tennis activities such as camps, leagues, tournaments, clinics and an academy. The center is dedicated to promoting tennis locally and throughout the state.

Burroughs is an associate professor in the department of physical education and health. He and his wife Roseanne have four children: Kevin 13; Melanie, 11; Timothy, 5; and Michael 1.

A 1963 graduate of the University of Tampa (B.S., physical education), Burroughs received his master's degree from Appalachian State.

CARL URIAN begins his first year as assistant coach to the Women's Tennis Team. Carl has been a steady contributor to the Men's Varsity Team, as a player, for the past four years. His excellent leadership on and off the court has proved instrumental in advancing the quality tennis tradition present at Salisbury State College.

A native of Silver Springs, Md., Carl carries a dual major in liberal studies and mathematics.

PLAYERS

CAROLE HAIFLEY
Very promising freshman player who will challenge for a top six in her first year. Her strength is baseline play.

SANDY JOHNSON
Consistent from the baseline and match experience is all that is needed to make her a steady contributor to the team.

VALERIE JOHNSON
Summer tournament play has given her valuable experience. This experience has helped her to improve and vault into a top six position.

JEANNE MacLEOD
One of the many first year players who will help the team in both singles and doubles.

PATTI SARTORI
Her strength is her forehand and first serve. Needs only to develop an all-court game to be a steady member in the starting line-up.

KATHI SMERO
Played in the top six singles all last year. A hard hitter who has found control to round out her game.

BELINDA SPANN
A person abounding with the competitive spirit. Her hustle and desire will pay dividends in many ways.

JAN SWEET
As a veteran college and tournament player, she'll challenge for one of the singles spots this year.

LORI WEISS
Consistent all-court player. Needs only match experience to round out her versatile game.
